**PETITION TO MAKE SPECIAL FOR NEW  
APPLICATION UNDER MPEP §708.02.VIII**

SIR:

1. Petition      Applicant hereby petitions to make the above-identified application special. This application is the US National case stemming from PCT/US2005/020784.
2. Claims      All the claims in the above-identified case are believed to be directed to a single invention, as evidenced by a determination of unity of invention by the International Searching Authority. If the Patent and Trademark Office determines that all the claims presented are not obviously directed to a single invention, Application will make an election without traverse as a prerequisite to the grant of special status.
3. Search      A search has been conducted by the International Searching Authority, and the claims are identical in the PCT and US applications. A copy of the Written

Opinion of the International Searching Authority should have been provided to the PTO by the International Searching Authority.

4. Copy of References A copy of the cited art should have been provided to the PTO by the International Searching Authority.

5. Detailed Discussion of the References A copy of the Written Opinion of the International Searching Authority should have been provided to the PTO by the International Searching Authority, wherein it is shown that all cited art is of Category A (document defining the general state of the art which is not considered to be of particular relevance).

6. Fee The Commissioner is authorized to withdraw the fee for this Petition, or any other fee required now or hereafter in the present case, from (or to credit any overpayment to) PTO Account No. 50-0235.

Respectfully submitted,

Peter K. Trzyna
